

Cocos Island

aboard the brand-new
Cocos Island Aggressor

August 12-22, 2023

Escape with Blue Green Expeditions to Cocos Island for your next scuba diving adventure! Cocos is a lush, green, uninhabited island resting 342 miles off Costa Rica's Pacific coast. Rocky pinnacles surrounding Cocos are beacons for big animals and big action. Schooling Hammerheads, countless Whitetip Sharks, Mantas, Tuna, and even Whale Sharks call Cocos home.

After several return visits to the island, Jacques Cousteau pronounced Cocos, "The most beautiful island in the world."
