

PORTUGAL

September 17 - 27, 2023

Scuba Diving Portugal ~ from Top to Bottom

Join Blue Green Expeditions in Portugal!

Diving in Portugal means diving in the Atlantic Ocean and discovering a unique underwater environment. The wrecks (WW II U-Boat!), flora, and subaquatic species are utterly different from what you get at other destinations. The diving in this area is universally amazing while simultaneously diverse and unique. Couple all this with enjoying the culture, food, and hospitality of Portugal – amazing!

HIGHLIGHTS YOU MAY EXPERIENCE

- Matosinhos, Porto and the WWII U-Boat 1277
- Peniche, and diving in the fantastic Berlengas Archipelago
- Visit "Nazar's Big Cannon," and Peniche
- Lisbon Tour with dinner at a Fado restaurant
- "Parede de Rabo de Asno" (Donkeys Tail Wall) famous for its red Gorgonians
- Three-days diving in the Sesimbra Marine Reserve, often called the "Mecca" of Portuguese diving
- Fonte da Telha and the the "Lagoon Stone". The dive where one can observe more species, and the greatest diversity of life, within mainland Portugal
- Algarve, Praia da Rocha, diving the wrecks of the Ocean Revival and enjoying everything else Rocha Beach has to offer
- And your final surface interval, Algarve, Sagres
