

# Saudi Arabia

Liveboard on the *Saudi Explorer*  
Dec 5-16, 2023

Saudi Arabia sits on the eastern side of the Red Sea where its undersea treasures have been mostly unexplored. With Saudi Arabia only recently opened for tourism, we will be among the first Americans to dive these pristine waters. See the Red Sea like it was 40 years ago without all the diver traffic and vast number of liveboards.

Farasan South Explorer  
Departure/return - Al Lith Marina in Jeddah

**Blue Green  
Expeditions**

**See Your World in a Whole New Way**
