

Croatia

June 18 - 30, 2021

Join Blue Green Expeditions in Croatia!

We will be aboard the majestic liveaboard Vranjak for 7 days of diving historical wrecks and in Kornati National Park. Our journey will take us to many pristine dive sites and cultural heritage sites. We will be diving near the island of Vis which has numerous wrecks as well as beautiful deep walls and amazing visibility. We will be overnighing in historical ports, some dating back to the 1500's. The cultural heritage is amazing above and below the water with shipwrecks and artifacts spanning hundreds or thousands of years. After we depart the Vranjak, we will explore the historical cities of Dubrovnik and Split as well as the Natural World Heritage sites of Plitvice Lakes and Krka National Park. Our experienced guides will take you to the highlights of the region with this amazing diving and land tour trip! If COVID 19 restrictions limit our intended land tours to Krka, Plitvice Lakes or Dubrovnik, we will use the time to do extra dives with Trogir Diving Center as well as touring options in other areas.

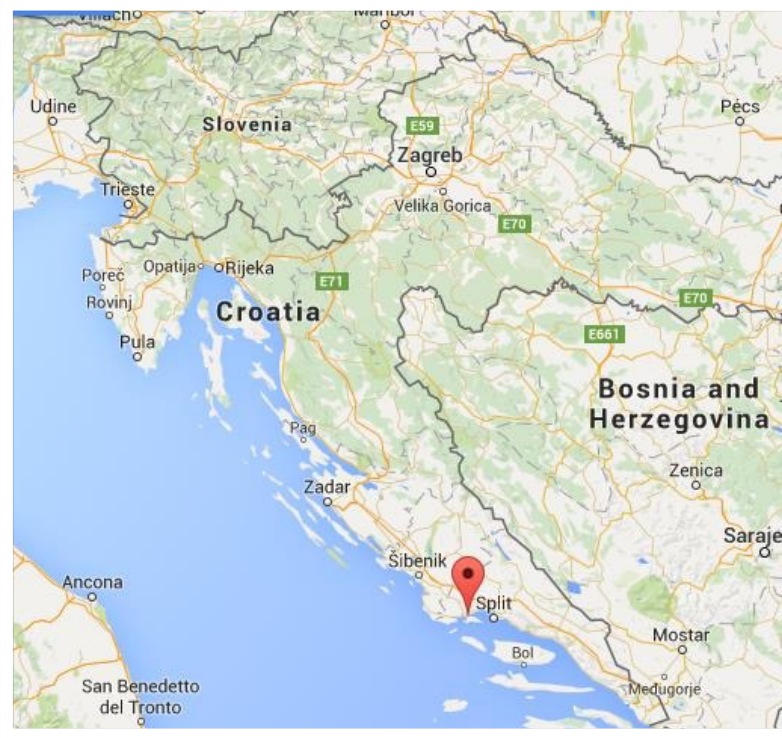

Your trip includes:

- All meals, diving and accommodations on the Vranjak for 7 days
- All permits for wrecks and national park fees
- All transfers to and from airport, boat and land based resort
- Some meals on land based portion

Not included:

Airfare, Dive and Travel insurance (required), Trip insurance recommended, Some meals during land based portions, changes in local taxes, and gratuities.

Pricing:

- Cost is \$4499 USD per person based on double occupancy
- A non-refundable deposit of \$1500 USD per person is due upon booking
- The balance is due April 1, 2021
