

Forgotten Islands

October 27-November 11, 2024

Indonesia's Forgotten Islands stretch 1,000 km from Timor to West Papua, isolated and undeveloped. They offer incredible diving experiences with clear waters, diverse marine life, and breathtaking underwater landscapes. Limited tours during a narrow weather window make this a very special and RARE opportunity for divers.

**STARTING
\$9975
PRICE**

Tour begins in Bali, with group domestic flight to Maumere. Disembark Saumlaki & return flight to Bali

16 days/15 nights aboard the Seven Seas
