

# Portugal's Madeira

## DIVING & LAND TOUR

Welcome to Madeira Island, a stunning gem nestled in the vast Atlantic Ocean! This enchanting island, part of Portugal, is renowned for its breathtaking landscapes, lush forests, rugged cliffs, and vibrant culture. The Island of Porto Santo is a picturesque gem, the second Island of the Madeira archipelago. Known for its pristine, golden sandy beaches, the Island spans 42 square kilometres, making it a tranquil escape for nature lovers and sun-seekers alike. Our adventure will include wreck diving, giant groupers, swim-throughs and exciting exploration!
