Roatan

with the
DOLPHIN COMMUNICATION PROJECT

**MAY 2-9
2026**

**\$3900
PP/DO**

Join DCP's Dr. Kathleen Dudzinski for an 8-day/7 night program to Anthony's Key Resort, Roatan, Honduras

This program offers an 8-day research & dive experience to Roatan, Honduras, where participants will help study dolphin behavior, learn about coral restoration, and conservation around Roatan. Informal talks provide a framework to develop an understanding of the topics. A full itinerary is available that includes research help, several dives per day, and other activities. Citizen science at its best!

PACKAGE INCLUDES:

- 7 night accommodations at Anthony's Key Resort in Roatan, Honduras, 3 meals/day,
- Lectures by & research participation with Dr. Kathleen Dudzinski, 2-3 RIMS-led talks
- 1 dolphin swim encounter
- 3-4 dives per day, transportation between Roatan airport and lodging.
- Citizen science participation
