

Explore all of Baja in luxury aboard the Nautilus Gallant Lady! This beautiful boat accommodates 12 guests in six spacious suites for a first class experience. Guests fly into San Diego where they will get a private transfer to San Felipe and fly home from Cabo San Lucas. Our journey starts in San Felipe, Mexico and ends in Cabo Pulmo allowing you to experience all the beauty and bio- diversity through the Sea of Cortez with up to 4

dives a day. We'll be exploring the best of the southern Sea of Cortez including the wreck of the ferry Salvatierra, beautiful Suwaneef Reef teeming with life, La Reina, Las Animas, and Cerralvo Island. We will then travel to the UNESCO World Heritage site; Cabo Pulmo. The marine park Cabo Pulmo is the easternmost barrier reef in the Pacific. The park is home to hundreds of fish like grouper, and jack, many species of sharks, humpback whales, turtles, huge schools of fish, massive rays and curious sea lions. This is one amazing unique journey that you will not want to miss!
