

# SPITSBERGEN

**JUNE 24 - JULY 10, 2024**

Join Faith Ortins, Dan Orr, Jarrod Jablonski &  
**GLOBAL UNDERWATER EXPLORERS**  
on an adventure exploring  
Spitsbergen and the High Arctic

Dive, snorkel, hike, and cruise around massive icebergs, spot the endangered polar bear, view Minke and Beluga whales along our voyage, where you will see sizable populations of walrus, and explore pristine polar landscapes.

Your home for the journey will be the **M/V ORTELIUS**, a state of the art 287' polar ship especially designed for polar cruising and outfitted for diving in polar regions. While there will be many diving and snorkeling opportunities, non-divers will enjoy the amazing landscapes, hiking, birding, and history of the area.

We will travel through majestic ice caps and sizable glaciers as we circumnavigate above the Arctic Circle maximizing the possibilities that come with 24-hours of daylight.

## PRICE INCLUDES

- ACCOMMODATIONS ON THE M/V ORTELIUS, PART OF THE OCEANWIDE EXPEDITIONS POLAR FLEET
